ONE™ ECSTATIC WORLD

leela

“If you came to a shaman complaining of being disheartened,
dispirited, or depressed,
they would ask one of four questions.

When did you stop dancing?

When did you stop singing?

When did you stop being enchanted by stories?

When did you stop finding comfort in the sweet territory of silence?”

- Gabriel Roth

ABOUT ECSTATIC DANCE

Ecstatic Dance is a mindful somatic practice to arrive at your free flow state in an intentional, judgement and screen free floor for deep self exploration through movement, stillness, music , ritual, consent and community connection. This honest practice is all about listening to our body and allowing it to move without inhibition. In ecstatic dance, a team of professionals, consisting of a ceremony leader, softly guides you into your body and out of your mind, a musical guide to inspire you with a genre fluid soundscape and space holders making sure you feel fully free and safe to enjoy your inner dance journey as a therapeutic workout, self love ritual or as movement meditation. It is an invitation for you to find bliss in moments of freedom and joy in a sober, barefoot dance experience.

Every BODY, in all age, ability, colour, gender, shape and size are welcome.

OUR STORY

Ecstatic World is a conscious events company creating transformational experiences with Ecstatic Dance as ‘Dance for Wellness’ for all. It supports an alternative lifestyle choice for overall well being and mental health.

Discovering this practice back in 2012 in London, our founder, travelled across the globe to various conscious dance communities thereafter, connecting and collecting real life experiences and stories.
Kannakee has carved a niche in the global conscious scene, starting with Odessa Amsterdam Estd 2016, initiating Ecstatic Dance India, Estd 2020 and introducing some of the best talents, both in India and The Netherlands with her expertise as a pioneer in conscious clubbing, in the last decade. Inspired by raw movement and what moves people, she creates inclusive spaces for sacred self expansion.

A truth seeker, a circle holder and a fearless warrior, Kannakee has moved many healing bodies, offering ecstatic dance across countries and continents in Asia, Africa & Europe, including Boom Festival - Portugal 2023, Ozora Festival - Hungary 2025 & 2026 and many more.

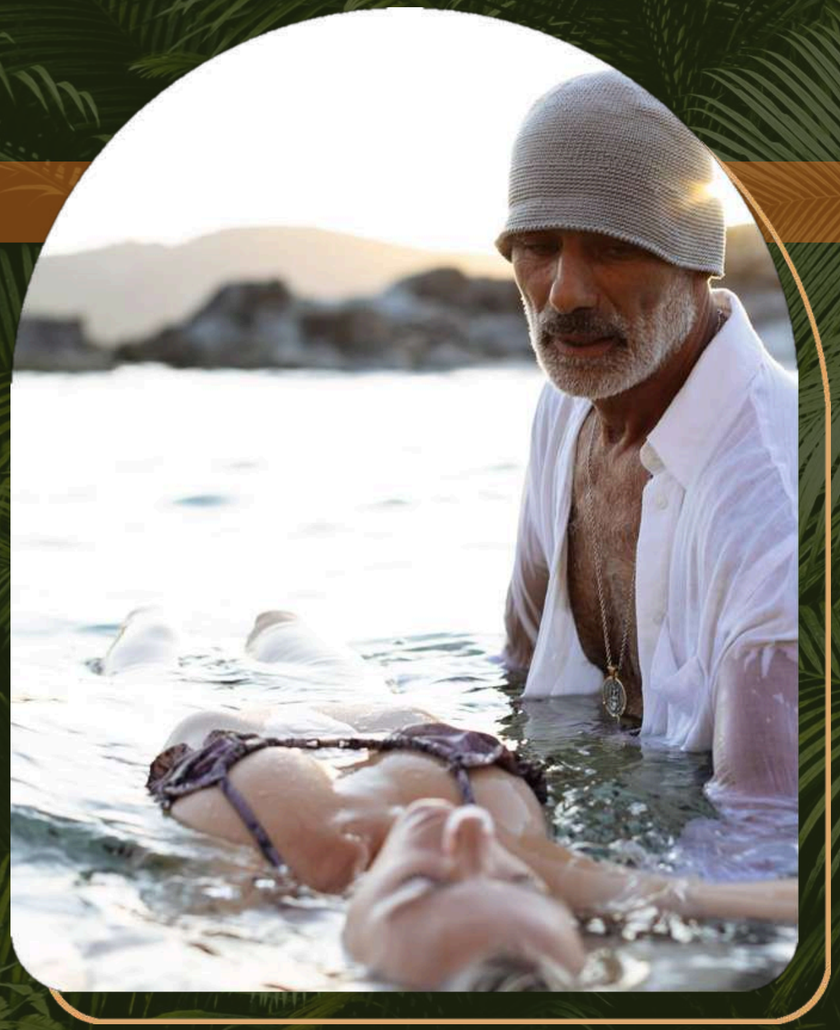
MEET YOUR FACILITATORS



OCEANO SALVATORE

Wataflow · Ibiza

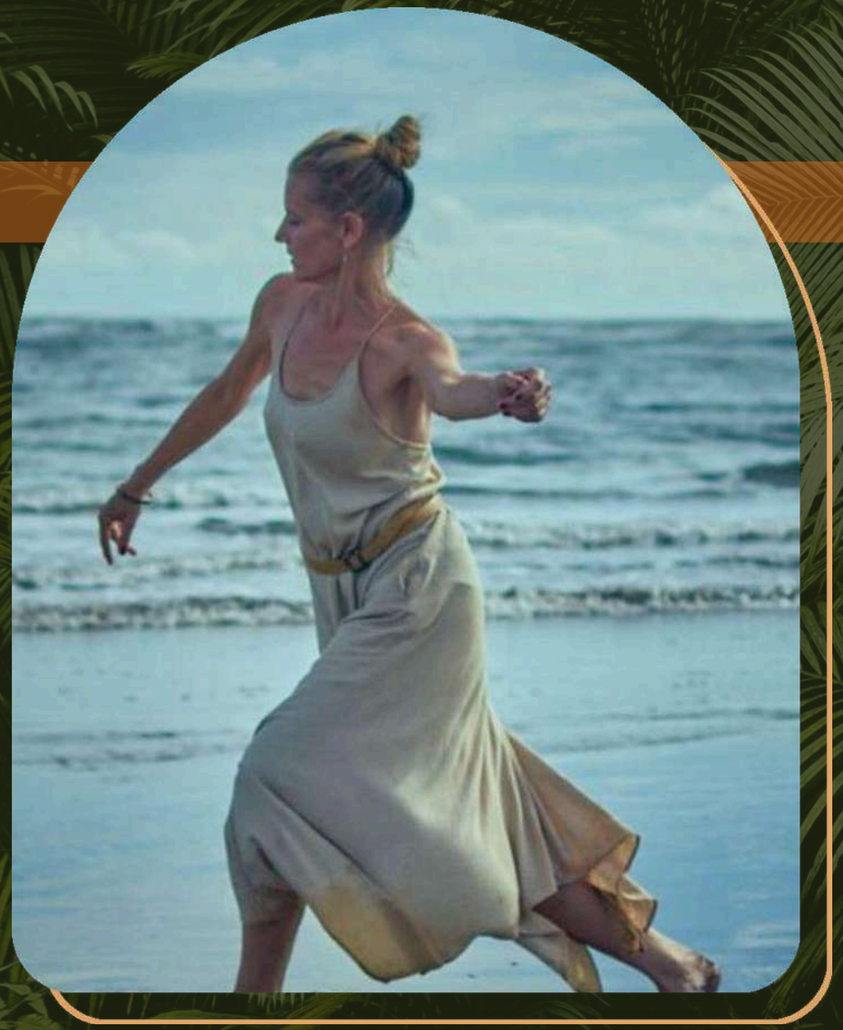
Oceano Salvatore was born Salvatore, on Yemaniá's day, in the mythical land of the sirens. As a child, a wave taught him fear. Then the sea taught him the opposite: trust, listening, surrender. In Ibiza, he was reborn with a name that is already a direction: Oceano.

From that journey, Wataflow was born (2014): a transpersonal water practice weaving together presence, breath, meditation, dance, and conscious touch. Water as an alchemical space: you surrender to the float, you trust, you stop controlling. And in the silence, something loosens.

LEVI BANNER

Breathwork Facilitator · Bali

Levi Banner is a shamanic breathwork facilitator, shamanic astrology teacher, and Ecstatic Dance DJ who has moved dancers in more than 70 communities around the world. With over a decade of experience guiding people through transformational work, he weaves sound, breath, and ritual into journeys from grounded beginnings to ecstatic release. After many years living in Bali, he now brings his sets to dance floors around the globe.



ARIANNE VAN DE BURCHART

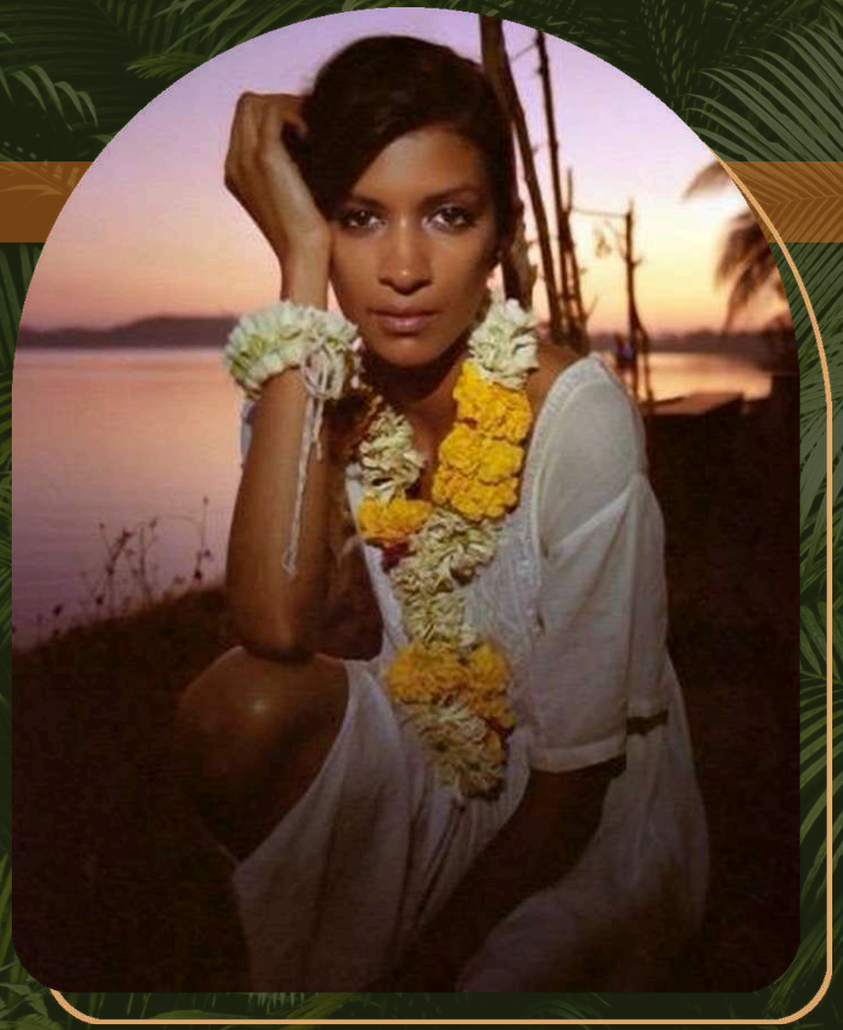
Ceremony Leader · Amsterdam

Located mostly in Goa & Southern-Europe, Arianne teaches movement medicine, authentic movement and holistic bodywork. She is able to listen with all of her senses and gives back practical, easy-to-digest insights to embrace your natural flow. She holds a MA in Choreography and Dance Therapy and is a resident ceremony leader at Ecstatic World.

KANNAKEE

DJ | Founder- Ecstatic World | Co Founder - Odessa Amsterdam

Kannakee's curated soundscapes are an invitation to move with love, trust and surrender for deep dance journeys that are primal and cathartic. Blending genre fluid music from hypnotic beats to tribal percussions, voices, samples, mystical notes to groovy basslines, she paves the way for intentional dance floors that are ceremonial, as prayer and pleasure, rave and ritual. She has touched hearts and many lives playing at conscious communities across countries and continents, including Boom Festival, Portugal and Ozora Festival, Hungary and more.



BOOMLEKHA

Ecstatic DJ

BOOMLEKHA is the sound spinning Avatar of renowned Indian Model Lekha Raman. Lekha has a deep natural understanding of rhythm structures and basslines that allows her to effortlessly tell organic musical stories to enchant and delight her audience. She is one of the first Indian Ecstatic DJs mentored by Ecstatic World.
